This form only needs to be filled out once. I will be collecting all the records for the Rider and the Horse through the Arabian Horse Association website. Hopefully, this will make the record keeping easier for everyone that will be competing. If you have questions, please don't hesitate to call or e-mail me.

However, if you attend an Open Show, you must use the old form and send it to me for each show you attend. Be sure and have it signed by the Show Secretary.
